

## CALIFORNIA OUR WINE

---

2012

---

### CABERNET SAUVIGNON

---

*Moon Mountain District  
Sonoma County*

---

#### TASTING NOTES

The 2012 3 Corners Moon Mountain District Cabernet Sauvignon is deep and concentrated in color which invites you into a nose of fresh cut cedar, mocha, cassis, bay leaves, and sandalwood. Black cherry, warm vanilla bean, and cocoa powder round out the mouth. The finish is lush, supple, and notably long and expansive backed by tannins and rich pipe tobacco.

#### THE VINEYARDS

On the east side of California's Sonoma Valley is a new mountain appellation named Moon Mountain District. The Kamin Vineyard is located on a basaltic fault line; volcanic and extreme. Our Cabernet Sauvignon grapes grow from dark solid rocks to produce some of the tastiest and most concentrated Cabernet in California.
